RE: JP MORGAN CHASE LOAN,
PROPERTY ADDRESS;
AVENUE

Mr. Person;

I wanted to express my sincere thanks for taking your time to speak with me with respect to my foreclosure case against JP MORGAN CHASE.

Spending the extended time with me yesterday was not only courteous, but a selfless act rarely found not only from professionals as you but people in general. Society has become more self engaged and less willing to help one another. Plainly most have lost their way because of unwillingness to sacrifice their time.

Be it coaching, volunteering or simply sharing wisdom that could help their fellow man.

You sir, are a rare breed, and it is a honor to have the support of such an true patriot, wise man and genuine professional.

On behalf of my son and I, and from the deepest end of our hearts we thank you and applaud your life long work of great deeds and honorable accomplishments.

Please find attached said complaint for your review.

Sincerely,
